	WW	69
	YW	100
MGS: 841R Donor (BK Euchee 694N)	Milk	14
	TM	48

Well Maine-Anjou breeders, when is the last time you saw a powerful, black, polled, purebred heifer calf for sale, sired by one of the greatest performance bulls in the bred, NAGE WIDE TRACK 94J? Here she is, a fabulous breeding piece that is very unique. She is on embryo daughter out of our great 841R Donor which goes back to BK Euchee 694N! Her offspring has raised any great sires that are working for Loder Cattle Company, Hawley Farms, and Jim Whitmeier plus daughters that are working at Dennert Maines and Loder Cattle Company! This heifer is so well balanced with great length and movement, wrapped in a eye appealing package! Trust the total performance package of this heifer! Eastview is retaining 1/4 interest in the flush rights!
