Performance +

25TH ANNUAL BULL SALE | FRIDAY, FEBRUARY 8, 2019

P O U N D S + B E E F = P R O F I T

THE *NCC* FIRST BREEDING SEASON GUARANTEE

We represent these bulls to be sound and their records to be accurate to the best of our ability. All are fully guaranteed for structural soundness and bulls will be fertility tested in March. If an unfortunate problem arises, please notify us promptly. We can provide a satisfactory replacement (if available) or a credit will be issued for next year's sale for the bull's full purchase price less any salvage value received.

We highly recommend purchasing short term insurance in the event of bull death. We are retaining in herd semen use on all bulls in the offering at the new owner's convenience. Costs incurred in collecting semen for NCC in herd use will be the responsibility of NCC.

BACK ROW (L to R): Cheylee, Chesney, Shaylayne

FRONT ROW (L to R)

Blane, Cindy, Shayna (Nagel) Balvin, Travis Balvin, Rhykon, Raya, Rhykena, and Landon

25TH ANNUAL Performance

BULL SALE

FRIDAY, FEBRUARY 8, 2019 | 1:00PM C.S.T.

on the ranch at 7-N Arena | Springfield, South Dakota

PRE-SALE BULL INSPECTION

Videos of all sale bulls will post on nagelcattle.com in late January. Feel free to visit us and check them out any time at the ranch as well! Early viewing is a great time to visit in detail to match potential herd sires to your herd goals, along with viewing heifer mates, dams and like genetic feeder calves.

BULL CARE

Tyndall Veterinary Clinic, Tyndall, SD serves as our herd veterinarians. All yearling bulls will be semen tested mid to late March. We encourage you to leave your NCC bull purchases with us to continue their care. This allows us to keep the bulls on the same nutritional standards, semen test and then deliver in early April. It's also a great avenue for more visitation with our customers! We love to hear about your operation and hopefully procure some future feeder calves and/or replacement heifers.

MORE INFO AVAILABLE ON SALE DAY & WEBSITE

Ultrasound Data, ADG/WDA and Scrotal will be available on sale day! Make sure to visit our website www.nagelcattle.com for new info as well.

ANNOUNCEMENTS

Announcements made sale day take precedence over printed material. All persons who attend this sale do so at their own risk and the sale management or owners assume no liabilities for any accidents that may occur.

This bull has the phenotype and genetic power to be the next game changer for the Maine-Anjou Breed! Incredibly clean fronted followed by a powerful, strong top and super square fulfilled hip. The right combination of bone, spinal length and internal dimension that when put in motion does so with ease. His granddam 87W was so massive you had to watch her fill in order to get her in a chute, not huge but wide!
